MQA (FA8063) / KPT/JPS/R010/3/0104

PROGRAM DESCRIPTION

This 1 year (3 semester) foundation program is designed for SPM, 'O' level or equivalent qualified students to be equipped with the skills, knowledge & practice needed to bridge from the secondary school level to a university degree.

The program covers pure and applied sciences which provides a strong foundation for students intending to articulate into Medical, Dentistry, Health Sciences, Engineering and Computing degrees.

The foundation will guarantee graduates' entry into quality degree courses with our partner universities in Malaysia or overseas.

The courses focus on Biology, Chemistry and English for Medical & Health Sciences. Also focus on Physics & Mathematics which are essential for computing & engineering studies.

Eventually, the student could pursue a career in anyone of the above fields.

This Diploma program is recognized by the Ministry of Higher Education (MoHE) and is approved by Malaysian Qualification Agency (MQA).

"We provide admission services for medical / dentistry courses in India, Poland, Russia, Indonesia, Bangladesh etc"
