DIPLOMA in LAW ENFORCEMENT

PROGRAM DESCRIPTION

Diploma in Law Enforcement (DLE) is specifically designed to equip students with competitive knowledge and skills in key aspects of law enforcement, criminal law, criminal justice, criminal investigations, crime scene investigation, and many other related skills.

This course provides quality teaching and learning experiences to students creating in-depth knowledge and understanding of enforcement management.

The need for better law enforcement and security management in Malaysia has created a demand for education and training of law enforcement professionals' for the public and private sectors.

Together with our industry partners and various other corporate organizations and government bodies, this security management program enables students to understand, appreciate and apply the knowledge and skills in the complexities of modern law enforcement and security management.

This prepares students to find jobs in the Uniform Services and Private Security Services both in Malaysia and overseas.

The graduates are highly in demand in the law enforcement and security industry.

There are plenty of employment and career advancement opportunities, and our students will be placed in various top law enforcement and security agencies like the Royal Malaysia Police, Fire and Rescue Department, Immigration Department and more.

This Diploma program is recognized by the Ministry of Higher Education (MoHE) and is approved by Malaysian Qualification Agency (MQA).
